GENERAL PROVISIONS

for the above packages telephone support, maintenance agreement with / without on-call standby:

except for service under warranty, minor assistance or information rendered (= free of charge).
The following agreements apply in addition to our General Terms and Conditions:

DURATION:

minimum 12 months for above packages
(telephone support up to and including maintenance agreement with / without on-call standby).

CANCELLATION PERIOD / FORWARD PLANNING FOR ANY ALTERATIONS:

3 months' notice before contract end. Unless it is terminated, the agreement is automatically extended by another 12 months.

The customer will be informed accordingly, should it be necessary to adjust the yearly (monthly) flat rate. Within 3 weeks from receipt of notification of the price increase, the client will have the right to end this agreement with immediate effect.

AVAILABILITY / RESPONSIVENESS:

as defined, please see service description.

TELEPHONE SUPPORT, MAINTENANCE AGREEMENT INCL. ON-CALL STANDBY ARE NOT VALID:

on public holidays in Germany (Hesse) such as Christmas / New Year's Eve / Easter and company holidays.

No support between Christmas (24.12.) and New Year (01.01.).
The latest return date is 23.12., the earliest arrival date is the first Monday in the year, but not before 04. January.

CONDITIONS/PREREQUISITES FOR TELEPHONE SUPPORT:

the client must employ trained personnel. A detailed error description is given to STRECKER by phone or in writing. In case of support for "FPC" machines via remote maintenance module, depending on the module there must be a data connection or mobile phone connection (including sufficient credit). For customers having ordered the above "Maintenance Agreement" the remote maintenance module can be rented (at EURO 100 / per month).

CONDITIONS/PREREQUISITES FOR A MAINTENANCE AGREEMENT WITH/WITHOUT ON-CALL STANDBY:

a spare parts package defined in consultation with STRECKER (parts/quantities) has been ordered and is available on site.

TERMS OF PAYMENT:

Payment obligation for services rendered (telephone support, maintenance and/or on-call standby by service technicians) arise in addition to the above flat rates. These will be invoiced separately, according to expenditure (on a time and material basis).
